A. Introduction to Community Development Mini-Grant FY 2023-2024

First 5 Imperial (Commission) has allocated \$150,000 for the purpose of funding mini-grants over the course of a one-year award process that will apply to the 2023-2024 fiscal year. The Commission will award applicants under a two-step process. **Step 1** will require applicants to complete and submit a Statement of Interest to Apply form by the stated deadline. **Step 2** will require applicants that have been identified through review of Step 1 to submit the Community Development Mini-Grant Application by the stated deadline. All applicants submitting a Statement of Interest to Apply form will be notified in writing if they were selected to submit a mini-grant application under Step 2. Please note that an invitation to submit a mini-grant application under Step 2 does not guarantee funding. For all contracts, continued funding will depend on compliance with all requirements contained in the contract and funding levels accrued from Prop 10 revenues.

\$25,000.00 is the maximum amount of funding an agency may request for a Mini-Grant Project during the cycle beginning July 1, 2023, up through June 30, 2024. The objective of these mini-grants will be to enhance the capacity of organizations to better serve expectant parents, children 0-5 years of age and their families, and the program description must include a scope of work that addresses services that can be realized during the COVID-19 pandemic.

Public and non-profit agencies may apply through Step 1 of the Community Development Mini-Grant Application including but not limited to community-based organizations, neighborhood associations, preschools, collaboratives, faith-based organizations, and civic agencies. Applications will be processed within the aforementioned two-step process outlined under the timetable enclosed within these guidelines.

First 5 Imperial reserves the right to modify the Timetable or to cancel the Mini-Grant application process at any time. Notification of changes will be posted on the Commission's website. Deadline submittal dates for this Mini-Grant have been established as follows:

<i>Description</i>	<i>Release Date</i>	<i>Submission Deadline</i>
Step 1	February 8, 2023	March 15, 2023
Step 2	April 7, 2023	May 10, 2023

Please review the Community Development Mini-Grant Application Timetable FY 2023-2024 for detailed information.

D. Background on First 5 Imperial (Commission)

The youngest children residing in Imperial County and their families have been presented with valuable new opportunities since the development of the local Children and Families

First Commission subsequent to the approval of Proposition 10. This Act, authored under the direction of Rob Reiner, was ratified by California voters in 1998. The standard supporting this law entailed that a new tax would be levied on tobacco products sold in the state. Monies generated through this tax are designated to provide services that center on the optimal development of children 0-5 years of age, in addition to tobacco awareness and cessation programs. The Act further requires the creation of a Proposition 10 Commission for each County. The Imperial County Children and Families First Commission, also known as First 5 Imperial, was established under the authority of Imperial County Ordinance # 1231 in 1998. A nine-member Commission panel, assembled under the direction of this ordinance, would realize Proposition 10 priorities at the county level.

VISION

All Imperial County children will thrive in supportive, nurturing and loving environments, enter school healthy and ready to learn, and become productive, well-adjusted members of society.

MISSION

Current research in brain development clearly indicates that the emotional, physical and intellectual environment that a child is exposed to in the early years of life has a profound impact on how the brain is organized. The experiences a child has with respect to parents and caregivers significantly influences how a child will function in school and later in life. The California Children and Families Act of 1998 is designed to provide, on a community-by-community basis, all children prenatal through five years of age with a comprehensive, integrated system of early childhood development services. Through the integration of health care, quality childcare, parent education and effective intervention programs for families at-risk, children, their parents and caregivers will be provided with the tools necessary to foster secure, healthy and loving attachments. These attachments will lay the emotional, physical and intellectual foundation for every child to enter school ready to learn and develop the potential to become productive, well-adjusted members of society.

RESULT AREAS

The Commission will work to promote projects that focus in any one of the activities in the following Result Areas:

1. Family Strengthening
2. Early Care and Education of the Child
3. Improved Child Health Outcomes

E. Funding Priorities

A copy of this plan may be requested through the Commission Office or may be downloaded from the Commission's website at www.icprop10.org. Furthermore, activities realized must reflect the Vision, Mission, and support one of the three Result Areas established by the Commission. Funding priorities will focus on these three "Result Areas" which are:

Result Area 1	Strengthening Families
Result Area 2	Early Care and Education of the Child
Result Area 3	Improved Child Health Outcomes

Examples of activities that may be funded include, though are not limited to the following:
