

STATEMENT OF NON-SUPLANTATION OF FUNDS

As a material condition of the contract, the Prospective Contractor understands that consistent with the intent of the California Children and Families Act of 1998, no monies from this program may be used to supplant federal, state, county or other monies available to the agency for any purpose. Prospective Contractor agrees that activities funded under this RFP must be new or enhancements to existing activities, and understands the generally accepted definitions for “supplement” versus “supplant”; to “supplant” is identified as taking the place of something, whereas “supplementing” means to add to or augment something that currently exists. Funds awarded by the Imperial County Children and Families First Commission, pursuant to the Act, will be used only to supplement existing levels of services and/or develop new services.

I _____ (print name of authorized representative)
