## HEALTH AND SAFETY CODE - HSC

**DIVISION 108. CALIFORNIA CHILDREN AND FAMILIES PROGRAM [130100 - 130158]** (*Heading of Division 108 amended by Stats. 1999, Ch. 126, Sec. 1.*)

**130100.** There is hereby created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. These purposes shall be accomplished through the establishment, institution, and coordination of appropriate standards, resources, and integrated and comprehensive programs emphasizing community awareness, education, nurturing, child care, social services, health care, and research.

(a) It is the intent of this act to facilitate the creation and implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development and to ensure that children are ready to enter school. This system should function as a network that promotes accessibility to all information and services from any entry point into the system. It is further the intent of this act to emphasize local decisionmaking, to provide for greater local flexibility in designing delivery systems, and to eliminate duplicate administrative systems.

(b) The programs authorized by this act shall be administered by the California Children and Families Commission and by county children and families commissions. In administering this act, the state and county commissions shall use outcome-based accountability to determine future expenditures.

(c) This division shall be known and may be cited as the "California Children and Families Act of 1998."

*(Amended by Stats. 2002, Ch. 245, Sec. 1. Effective January 1, 2003. Note: This section was added on Nov. 3, 1998, by initiative Prop. 10.)*

(b) All costs to implement this act shall be paid from moneys deposited in the California Children and Families Trust Fund.

(c) The State Board of Equalization shall determine within one year of the passage of this act the effect that additional taxes imposed on cigarettes and tobacco products by this act has on the consumption of cigarettes and tobacco products in this state. To the extent that a decrease in consumption is determined by the State Board of Equalization to be the direct result of additional taxes imposed by this act, the State Board of Equalization shall determine the fiscal effect the decrease in consumption has on the funding of any Proposition 99 (the Tobacco Tax and Health Protection Act of 1988) state health-related education or research programs in effect as of November 1, 1998, and the Breast Cancer Fund programs that are funded by excise taxes on cigarettes and tobacco products. Funds shall be transferred from the California Children and Families Trust Fund to those affected programs as necessary to offset the revenue decrease directly resulting from the imposition of additional taxes by this act. These reimbursements shall occur, and at any times, as determined necessary to further the intent of this subdivision.

and social services, the prevention and cessation of tobacco, alcohol, and drug use by pregnant women, the detrimental effects of secondhand smoke on early childhood development, and to ensure that children are ready to enter school. Any funds not needed in this account may be transferred to the Unallocated Account described in subparagraph (F), upon approval by the state commission.

(B) Five percent shall be deposited in an Education Account for expenditures to ensure that children are ready to enter school and for programs relating to education, including, but not limited to, the development of educational materials, professional and parental education and training, and technical support for county commissions in the areas described in subparagraph (A) of paragraph (1) of subdivision (b) of Section 130125. (H) Any moneys allocated and appropriated to any of the accounts described in subparagraphs (A) to (F), inclusive, that are not encumbered or expended within any applicable period prescribed by law shall (together with the accrued interest on the amount) revert to and remain in the same account for the next fiscal period.

(2) Eighty percent shall be allocated and appropriated to county commissions in accordance with Section 130140.

(A) The moneys allocated and appropriated to county commissions shall be deposited in each local Children and Families Trust Fund administered by each county commission, and shall be expended only for the purposes authorized by this act and in accordance with the county strategic plan approved by each county commission.
